As you complete your summer assignment in this office we want to express our appreciation for the contribution you made. The work you performed in the Near East/Asia Division, and particularly in the Near East Branch, played a significant role in sustaining the day-to-day operations of that unit. This is attributable in no small part to your willingness to respond to the many requests made of you.

We hope you found this experience beneficial and rewarding and that in some way it will be applicable to your future endeavors. In the meantime, we wish you success as you continue your academic pursuits.
